Yonar Pulsar ☮☮☮

YONAR

When a raygun shoots at you, you MUST spend this energy.

If you do, cut the damage in half, rounded up.

Ion Scoop

Yonar Pulsar ☮☮☮

YONAR

When a raygun shoots at you, you MUST spend this energy.

If you do, cut the damage in half, rounded up.

Ion Scoop

Yonar Pulsar ☮☮☮

YONAR

When a raygun shoots at you, you MUST spend this energy.

If you do, cut the damage in half, rounded up.

Ion Scoop

Yonar Confuser ☮☮☮☮

YONAR

Spend this energy and pick a target:
- Target loses two stored energy on a device of your choice.
- Target may choose to lose 3 health instead.

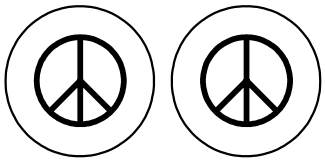

Ion Relay

Minor Yonar Staff ☮☮☮☮

YONAR

At the start of your turn, add a Yonar energy to this artifact.

Energy on this artifact can be used to advance the Yonar Magnum Opus.

Yonar Vitalis ☮☮☮☮☮

YONAR

Once per turn, choose another player:
- That player may discard a Yonar energy (single or split) from hand.
- If they do not, they discard their entire hand.

Ion Gatherer

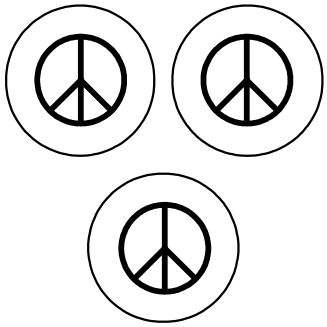

Rebreather

Yonar Staff

YONAR

At the start of your turn, add a Yonar energy to this artifact.

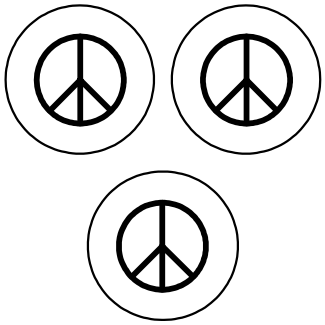

Energy on this artifact can be used to advance the Yonar Magnum Opus.

Dominator

YONAR

Spend 3 energy to take control of another player's non-starter device this turn. You may use it as if it were yours and spend any stored energy.

Dominion Cell

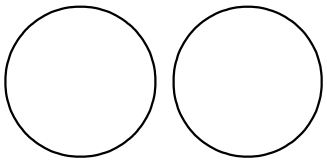

Tiltch Cell

TILTCH

This must attach to a Raygun OR Tiltch Akimbo, replacing any component.

You may store any energy on this card.

At the start of your turn, discard an energy from the deck. If it has Tiltch energy, add one to this card.

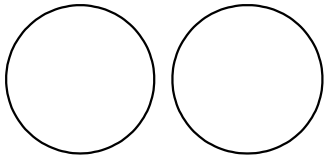

Tiltch Cell

TILTCH

This must attach to a Raygun OR Tiltch Akimbo, replacing any component.

You may store any energy on this card.

At the start of your turn, discard an energy from the deck. If it has Tiltch energy, add one to this card.

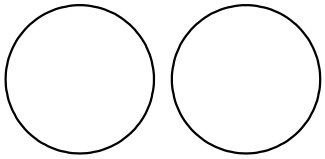

Tiltch Cell

TILTCH

This must attach to a Raygun OR Tiltch Akimbo, replacing any component.

You may store any energy on this card.

At the start of your turn, discard an energy from the deck. If it has Tiltch energy, add one to this card.

Tiltch Akimbo

TILTCH

Spend 1-4 stored energy to shoot a target, ignoring raygun targeting rules.

Damage: 3 / 5 / 8

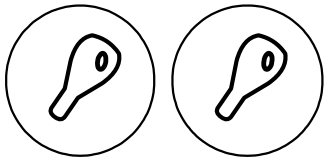

Improvised Adapter*

Minor Tiltch Staff

TILTCH

At the start of your turn, add a Tiltch energy to this artifact.

Energy on this artifact can be used to advance the Tiltch Magnum Opus.

Tiltch Emitter

TILTCH

At the start of your turn, draw an energy. Use that energy to charge a Tiltch Cell, Tiltch Akimbo, Doomsdayer, or raygun of your choice.

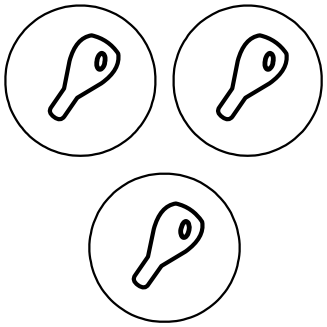

If it is a Tiltch energy and you are charging the Doomsdayer, add two instead.

Tiltch Staff

TILTCH

At the start of your turn, add a Tiltch energy to this artifact.

Energy on this artifact can be used to advance the Tiltch Magnum Opus.

Doomsdayer

TILTCH

Spend 6 energy to deal 8 damage to all other players.

Large Powercell

Energy Scoop

Large Powercell
